GOVERNMENT ARTICLE
ANGEH, SHEILA: R248149**

THE BOARD'S INVESTIGATION:

7. On August 5, 2021, a Board Investigator contacted the General Counsel for Clinical Sites B, C and D, requesting information on any agreements with LPN School. On August 5, 2021, the General Counsel responded by email, stating "I searched our contracts database and do not find any contracts with [LPN School]. Additionally, as a skilled nursing facility, I do not believe we would have hosted clinicals for surgical nursing."
8. On August 6, 2021, a Board Investigator contacted Clinical Site E's Executive Director by phone. Executive Director stated that Clinical Site E does not offer OB/GYN or pediatric care and that the program offers services to troubled teens, there are no nurses on staff and the program does not offer any medical services.
9. On August 25, 2021, the Board's staff was notified by email that Clinical Site F "does not have any affiliation or contracts with any nursing institute for any clinical hours."
10. In a letter dated September 8, 2021, the Board's staff was notified by Clinical Site A, "we regret to inform you that after searching our records, we were unable to locate any school agreement for clinical rotations with [LPN School]."
11. On September 9, 2021, the Respondent was interviewed under oath and provided the following information:
 - i. She was enrolled in another school in DC which was closing, was told about another school by other students that offered "review and crash programs" and was introduced to Individual.
 - ii. She met with Individual, who informed her he was worked in collaboration with LPN School. She met with him at a house in Bowie, Maryland. The basement of the house was set up as a classroom.
 - iii. Individual requested cash payment of \$5500 and she paid on a payment plan.
 - iv. She started classes in July 2016. There was a mixture of subjects and no particular sequence to what was taught. Classes were three to four days a week and classes had LPN and RN students. Classes lasted about four months and were conducted by Individual and another instructor.

ORDER FOR SUMMARY SUSPENSION PURSUANT TO § 10-226(c)(2) OF THE STATE GOVERNMENT ARTICLE ANGEH, SHEILA: R248149

- v. She took a comprehensive exam and was told she passed the exam and was told to register with the board for the exam.
- vi. She received a diploma from LPN School, signed by Director.²
- vii. She was given LPN School transcript to submit to the Board. Her husband questioned why she was given the transcript because most schools will submit the transcript directly.
- viii. The transcript listed dates and clinical sites that she did not attend and she asked about the information and was told to take the exam and come back later to do the clinicals. She was asked to pay an additional \$4000 to complete the clinicals.
- ix. Individual did not respond to follow up requests to complete clinicals before taking the exam. She never took the NCLEX because the information was incorrect.
- x. [Transcript on file with the Board reviewed] She stated the dates were wrong and she never attended any of the clinicals listed. She took it back to Individual for corrections but he never changed it. She never saw or had contact with Director. All her interactions were with Individual.
- xi. [LPN Application reviewed] She completed the application on line and Individual gave her the school code to complete the application. She acknowledged filling out the application and confirmed she entered the year of graduation using the date on the transcript, with the understanding that Individual would make corrections and resubmit to the Board.
- xii. She decided to “let go of everything and start afresh.”
- xiii. She is currently working at Hospital as a RN.³

DISCUSSION

12. The Respondent knowingly provided false information on her Maryland LPN application including, that she graduated from LPN School on June 28, 2013. In support of her application, the Respondent knowingly submitted a fraudulent transcript to the Board. The Respondent’s admitted hesitancy in taking the NCLEX exam and her questioning of the accuracy of the transcript demonstrates that she was aware that she did not meet the
